NOTICE TO PARENT/LEGAL GUARDIANS

The School Board of Orange County, Florida ("OCPS") offers a variety of athletic sports activities to registered students and endeavors to have each high school and middle school be an active member of Florida High School Athletics Association in order for student athletes to participate in sanctioned sport competitions. By signing this agreement, the parent/legal guardian understands and agrees that there are inherent risks associated with the named child participating in sports activities: including but not limited to pre-season conditioning, scheduled practices, scrimmages, games, competitions, and regional and state championships, and hereby gives permission for his/her child to participate in sports activities as a student athlete.

NOTICE OF RESPONSIBILITY OF STUDENT ATHLETE AND PARENT/LEGAL GUARDIAN

As the parent/legal guardian of the student athlete who will be participating in sports activities held by OCPS athletic programs, the parent/legal guardian understands and agrees to the following rules and responsibilities:

Qualifications to Participate

- a) Sports Screening Physical Exam of student athlete is required and the results shall be provided to the school athletics department designee (usually the Athletic Trainer) annually in accordance with FHSAA rules and guidelines. Physicals must be performed by a medical provider licensed in the State of Florida with no family relation to the student athlete. Athletics may prevent student from participating if all required paperwork is not received 48 hours prior to deadline/try-outs.
- b) Attendance to all practices and games, including timely arrival and coming prepared, is a commitment by the parent/legal guardian and student athlete to his/her team, school, and the sport. Student Athlete and Parent/Legal Guardian agree to follow school directives regarding the child's participation in the sports activities.
- c) Arrival and Departure from sports activities is the responsibility of the parent/legal guardian, unless specific OCPS designated transportation is provided. Parent/Legal Guardian waives, releases and holds harmless OCPS, its employees and volunteers from any liability arising from OCPS releasing the student athlete from the sports activity for individual return to home, whether his/her method and means is by foot, bicycle, motor vehicle or other various means by him/herself, friend, relative, or other persons at the student athlete's discretion.
- d) Student's eligibility to participate in sports activities shall be determined by the school administration, in accordance with OCPS Student Code of Conduct, including but not limited to, the student athlete maintaining satisfactory grades, appropriate behavior, and compliance with team rules.
- e) Report immediately to OCPS Athletic Trainer or Athletic Director any and all injuries, changes in medical conditions, and/or medical treatments that occurred as a result of student athlete participating in sports activity or that may affect their ability to continue to participate in sports activity. Upon request, student athlete will seek medical treatment and provide OCPS with medical provider records on eligibility to participate in sports activity. Participation in any sport activity may be withheld by OCPS at any time deemed appropriate and the student shall not be allowed to resume sport activity without satisfactory medical provider note or records.
- f) If any sports document, physical exam form, or signature on such document has been falsified, misrepresented, or intentionally excluded, student athlete shall be immediately suspended from sports team and declared as ineligible status from all sports. Ineligible status and sport suspension shall be effective for one calendar year from the date of disclosure.

PERMISSION AND RELEASE FOR STUDENT ATHLETE

As the parent/legal guardian of the student athlete who will be participating in sports activities held by OCPS athletic programs, parent/legal guardian understands and agrees to the following:

Permissions and Releases

- a. Permission is granted for appropriate OCPS employee to render medical treatment to student athlete or OCPS employee to contact and authorize medical treatment by a third party first responder, nurse, physician or hospital in the event an injury occurs during a sports activity. Parent/Legal Guardian waives, releases and holds harmless OCPS, its employees and volunteers from any liability arising from such medical treatment.
- b. Authorization to release student athlete's medical records to/from OCPS is granted in order to coordinate sports related treatment with treating medical provider(s). This authorization may be cancelled in writing at any time. A cancellation will not change releases that happen before receipt of the cancellation. Parent/guardian releases and holds harmless OCPS from any liability resulting in the use and disclosure of received and disclosed medical records/information.
- c. Permission is granted to OCPS the right to photograph and/or videotape student athlete and further use of name, likeness, voice, and appearance in connection with publicity, advertising, promotional materials without reservation or limitation.
- d. Parent/legal guardian affirms that the student athlete has no other medical condition, prior medical treatment, including but not limited to surgery which may affect or limit the student athlete from actively participating in sports activities.
- e. Parent/legal guardian waives, releases and holds harmless OCPS, its employees and volunteers for any activity the student athlete may voluntarily participate in with the team (in uniform or not), including but not limited to fund raisers, parades, promotions, team building, public appearances, etc.
- f. By signing this form, I agree that I am giving up my child's right and my right to recover from OCPS and its Board Members, employees and agents, in a lawsuit for any personal injury, including death, for any claim based upon the negligence of OCPS, including any claimed negligence by OCPS in allowing my child to participate in any sport or for any claimed negligence by OCPS regarding the care of my child during practices or games when any injury or illness arises out of or relates in any way to my child's participation in sport.
- g. FHSAA's "Consent and Release from Liability Certificate" signed by the parent/legal guardian includes the release of "The School District" which shall apply to The School Board of Orange County, Florida, its elected officials, employees and volunteers and "School" shall be the OCPS school for which the student athlete is registered and participating in sports activity.

I hereby acknowledge and certify that I have read the my child/ward; understand and agree to be bound be

Consent and Release from Liability Certificate for Concussions (Page 2 of 4)

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

School:	School District (if applicable):
Concussion Information	

Concussion Information

Concussion is a brain injury. Concussions, as well as all other head injuries, are serious. They can be caused by a bump, a twist of the head, sudden deceleration or acceleration, a blow or jolt to the head, or by a blow to another part of the body with force transmitted to the head. You can't see a concussion, and more than 90% of all concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. All concussions are potentially serious and, if not managed properly, may result in complications including brain damage and, in rare cases, even death. Even a "ding" or a bump on the head can be serious. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, your child should be immediately removed from play, evaluated by a medical professional and cleared by a medical doctor.

Signs and Symptoms of a Concussion:

Concussion symptoms may appear immediately after the injury or can take several days to appear. Studies have shown that it takes on average 10-14 days or longer for symptoms to resolve and, in rare cases or if the athlete has sustained multiple concussions, the symptoms can be prolonged. Signs and symptoms of concussion can include: (not all-inclusive)

- · Vacant stare or seeing stars
- · Lack of awareness of surroundings
- Emotions out of proportion to circumstances (inappropriate crying or anger)
- · Headache or persistent headache, nausea, vomiting
- · Altered vision
- · Sensitivity to light or noise
- · Delayed verbal and motor responses
- · Disorientation, slurred or incoherent speech
- Dizziness, including light-headedness, vertigo(spinning) or loss of equilibrium (being off balance or swimming sensation)
- · Decreased coordination, reaction time
- · Confusion and inability to focus attention
- · Memory loss
- · Sudden change in academic performance or drop in grades
- · Irritability, depression, anxiety, sleep disturbances, easy fatigability
- · In rare cases, loss of consciousness

DANGERS if your child continues to play with a concussion or returns too soon:

Athletes with signs and symptoms of concussion should be removed from activity (play or practice) immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to sustaining another concussion. Athletes who sustain a second concussion before the symptoms of the first concussion have resolved and the brain has had a chance to heal are at risk for prolonged concussion symptoms, permanent disability and even death (called "Second Impact Syndrome" where the brain swells uncontrollably). There is also evidence that multiple concussions can lead to long-term symptoms, including early dementia.

Steps to take if you suspect your child has suffered a concussion:

Any athlete suspected of suffering a concussion should be removed from the activity immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without written medical clearance from an appropriate health-care professional (AHCP). In Florida, an appropriate health-care professional (AHCP) is defined as either a licensed physician (MD, as per Chapter 458, Florida Statutes), a licensed osteopathic physician (DO, as per Chapter 459, Florida Statutes). Close observation of the athlete should continue for several hours. You should also seek medical care and inform your child's coach if you think that your child may have a concussion. Remember, it's better to miss one game than to have your life changed forever. When in doubt, sit them out.

Return to play or practice:

Following physician evaluation, the *return to activity process* requires the athlete to be completely symptom free, after which time they would complete a step-wise protocol under the supervision of a licensed athletic trainer, coach or medical professional and then, receive written medical clearance of an AHCP.

For current and up-to-date information on concussions, visit http://www.cdc.gov/concussioninyouthsports/ or http://www.seeingstarsfoundation.org

Statement of Student Athlete Responsibility

Parents and students should be aware of preliminary evidence that suggests repeat concussions, and even hits that do not cause a symptomatic concussion, may lead to abnormal brain changes which can only be seen on autopsy (known as Chronic Traumatic Encephalopathy (CTE)). There have been case reports suggesting the development of Parkinson's-like symptoms, Amyotropic Lateral Sclerosis (ALS), severe traumatic brain injury, depression, and long term memory issues that may be related to concussion history. Further research on this topic is needed before any conclusions can be drawn.

I acknowledge the annual requirement for my child/ward to view "Concussion in Sports" at www.nfhslearn.com. I accept responsibility for reporting all injuries and illnesses to my parents, team doctor, athletic trainer, or coaches associated with my sport including any signs and symptoms of CONCUSSION. I have read and understand the above information on concussion. I will inform the supervising coach, athletic trainer or team physician immediately if I experience any of these symptoms or witness a teammate with these symptoms. Furthermore, I have been advised of the dangers of participation for myself and that of my child/ward.

Attention Student and Parent(s)/Guardian(s)

Your school is a member of the Florida High School Athletic Association (FHSAA) and follows established rules. To be eligible to represent your school in interscholastic athletics, in an FHSAA recognized sport (i.e. bowling, competitive cheerleading, girls flag football, lacrosse, boys volleyball, water polo and girls weightlifting or sanctioned sport (i.e. baseball, basketball, cross country, tackle football, golf, soccer, fast-pitch softball, swimming & diving, tennis, track & field, girls volleyball, boys weightlifting and wrestling), the student:

- 1. This form is non-transferable; a separate form must be completed for each different school at which a student participates.
- 2. Must be regularly enrolled and in regular attendance at your school. If the student is a home education student or attends a charter school or Florida Virtual School Full time Program or a special/alternative school or certain small non-member private schools, the student must declare in writing his/her intention to participate in athletics to the school at which the student is permitted to participate. Home education students and students attending small non-member private schools must be approved through the use of a separate form prior to any participation. (FHSAA Bylaw 9.2, Policy 16 and Administrative Procedure 1.8)
- 3. Must attend school within 10 days of the beginning of each semester to be eligible during that semester. (FHSAA Bylaw 9.2)
- 4. Must maintain at least a cumulative 2.0 grade point average on a 4.0 unweighted scale prior to the semester in which the student wishes to participate. This GPA must include all courses taken since the student entered high school. A sixth, seventh or eighth grade student must have earned at least a 2.0 grade point average on 4.0 unweighted scale the previous semester. (FHSAA Bylaw 9.4)
- 5. Must not have graduated from any high school or its equivalent. (FHSAA Bylaw 9.4)
- 6. Must not have **enrolled in the ninth grade for the first time** more than four school years ago. If the student is a sixth, seventh or eighth grade student, the student must not participate if repeating that grade. (FHSAA Bylaw 9.5)
- 7. Must have signed permission to participate from the student's parent(s)/legal guardian(s) on a form (EL3) provided the school. (Bylaw 9.8)
- 8. Must not turn 19 before September 1st to participate at the high school level; must not turn 16 prior to September 1st to participate at the junior high level; and must not turn 15 prior to September 1st to participate at the middle school level, otherwise the student becomes permanently ineligibile. (FHSAA Bylaw 9.6)
- Must undergo a pre-participation physical evaluation and be certified as being physically fit for participation in interscholastic athletics (form EL2).
- 10. Must be an amateur. This means the student must not accept money, gift or donation for participating in a sport, or use a name other than his/her own when participating. (FHSAA Bylaw 9.9)
- 11. Must not participate in an all-star contest in a sport prior to completing his/her high school eligibility in that sport. (FHSAA Policy 26)
- 12. Must display good sportsmanship and follow the rules of competition **before**, **during and after** every contest in which the student participates. If not, the student may be suspended from participation for a period of time. (FHSAA Bylaw 7.1)
- 13. Must not provide false information to his/her school or to the FHSAA to gain eligibility. (FHSAA Bylaw 9.1)
- 14. Youth exchange, other international and immigrant students must be approved by the FHSAA office prior to any participation. Exceptions may apply. See your school's principal/athletic director. (FHSAA Policy 17)
- 15. Must refrain from hazing/bullying while a member of an athletic team or while participating in any athletic activities sponsored by or affiliated with a member school.

If the student is declared or ruled ineligible due to one or more of the FHSAA rules and regulations, the student has the right to request that the school file an appeal on behalf of the student. See the principal or athletic director for information regarding this process.
